

Prices

Please see our chart for grooming prices by breed. These prices are approximate and reflect an average size dog of it's breed on a regular grooming schedule (maximum recommended time between grooms indicated in weeks). Mixed breeds will be charged according to the coat type most represented. There will be a surcharge of \$5-\$20 for matted dogs, or dogs that are extremely dirty, extra length, larger than average breed size or not on a maintenance schedule. Please [contact us](#) if you have any questions, or if your breed is not listed.

Fancy Pawz encourages puppies to be groomed on a regular basis once they have had their second (12 week) vaccinations. Introducing puppies to the ins and outs of grooming, teaching them about tables, dryers, clippers, nail clipping etc. is the best way to ensure your pet will enjoy our visits for their lifetime! Puppies under 8 months of age may have a reduction of \$5-\$10 off grooming cost.
